

Gipsy

Bedroom Set

Gipsy Bedroom Set

4 is all you need! Gipsy Bedroom Set is a four-piece affordable and flexible solution suitable for the “Gipsy Target”; meaning those users who move around a lot, especially with limited space and budget, like students or young professionals.

The full set includes bed, wardrobe, desk and mobile stand; all you need to make the most out of your bedroom.

This set is designed to give extra storage in every unit, creating an optimal footprint in a limited space.

Bedroom Set units

This furniture range aims to make people's life easier, adapting to everyone. With a clean line design look, and regardless of whether you combine all the Gipsy units as a whole or use them individually, this bedroom set will work with any other design scheme.

Bed with drawers

Single size bed with 4 large under the bed drawer to give out of sight storage for extra clothing or seasonal wear.

Mobile stand

Easy to move can be used as both mobile pedestal or night stand.

Desk

Compact and solid desk with under desk open storage shelves.

Wardrobe

Open wardrobe with great storage capability. It features adjustable shelves, drawers and clothes rail.

Gipsy configurations

An essentials-only bedroom set that guarantees flexibility in limited living spaces.

Optimal footprint for limited space
3200W x 3000D

Finishes

We work with a large variety of wood finishes. The colors on the side only represent a small selection of what is available.

We use 16mm to 30mm E1 top grade melamine or MDF board with 2mm edging but we can create customized solution according to your needs.

We stand behind our products and all items are covered by 5 year manufacturer's warranty.
